CAREER EXPERIENCE

Join us

The Youth Workforce Development Foundation and the AED Foundation, with funding from the Apprenticeships Build America program, are tackling the critical shortage of skilled talent in the technician and equipment operator industries. In partnership with SkillsUSA Illinois, we're excited to host a specialized career experience that connects students directly with technician and equipment operator industry leaders.

WHEN: **October 8, 2024**

9:00 AM – 2:00 PM

WHERE: **Johnsburg High School**

2002 W. Ringwood Rd,
Johnsburg, IL 60051

COST: **Free to attend;** lunch provided.

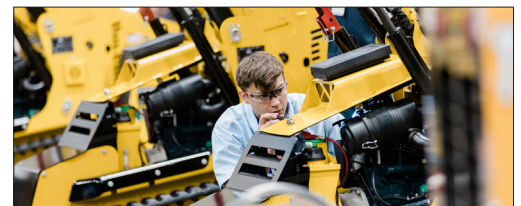

SkillsUSA membership not required.

INCENTIVE: Each school that registers 10 students to attend, the instructor will receive a \$200 Amazon Gift Card.

Limit one per school.

EVENT DETAILS

- **Who's Invited:** Open to all schools across Illinois and southern Wisconsin.
- **What to Expect:** Students will be invited to engage with a diverse range of technician and equipment operator industries eager to meet and recruit young talent. Students will also be given the chance to partake in interactive activities to gain hands-on experience and learn the necessary skills needed to excel in the industry. There will be prizes and giveaways to be won for those that participate!

WHY ATTEND?

- **Get Hands-On Experience:** Participate in interactive activities to learn real-world skills and processes in the industry.
 - **Operate equipment.**
 - **Try a simulator.**
 - **Complete a mock-interview.**
- **Connect with Employers:** Meet top companies (original equipment manufacturer and their dealers) in the industry that are looking to hire and grow their future workforce.
- **Explore Career Paths:** Discover a variety of roles and opportunities within the industry.
