# Energizing Middle School CTE with Career Engagement

Session 5 at IACTE Conference

February 14th, 2025 -- 8-9:00am

Gain insights from Haley Gruber, Elise Main, and John Heiser as you delve into creative strategies for incorporating work-based learning opportunities that link students with real-world experiences from an early age. Participants will uncover methods to encourage career exploration that ignites young learners' enthusiasm for their future while developing crucial leadership skills.

# From Feedback to Finals: Crafting Formative & Summative Assessments

February 13th, 2024 -- 2:15-3:15pm  
Session 3 at IACTE Conference

Join Taylor Wilkinson, Lindi Kocher, and John Heiser in this workshop as we explore effective strategies for designing and implementing formative and summative assessments in the CTE realm. Participants will gain hands-on experience with current techniques that promote flexibility in the classroom, enabling them to assess student achievement and progress effectively.
