

CAREER *and College* STEAM Exploration Night

January 15th

5-7 PM

Mahomet-Seymour High School

- **Gain Career Experiences!**

Engage in the many career booths to identify your passions and strengths in interactive career industries.

- **Research STEAM!**

Explore potential career options in the science, technology, engineering, agriculture and math fields! Speak with the Pros, simulate many “on-the-job” career applications!

- **Achieve Leadership skills!**

Learn to lead and be part of a team in the workplace from the Dale Carnegie Leadership Institute

- **Colleges and Scholarships**

Stroll the “College and Scholarship” hall for more information on the training and educational institutions for STEAM careers.

- **Networking**

Build a professional network in your target industry. Attend events, join online communities, and connect with individuals who can provide insights.
